Air Care and Odor Control

SECTION

A

P&G Febreze® Air Effects

Eliminate odors on the spot and freshen with a light, clean scent. Eliminates tough odors so they're gone for good. Just a simple spray sweeps away odors, from everyday staleness to pet, bathroom, and food odors, even stubborn smoke. Eliminates odors rather than covering them up like other air fresheners do. Quickly and easily sprays away tough pet, bathroom, cooking, smoke, and other odors. The fine mist infuses air with a scent that is subtle, not overpowering.

43352 8.8 oz. Meadows & Rain 6/cs

Glade® Air Freshener

Eliminates strong persistent odors with clean scent, not a heavy perfume. Use in commercial, industrial or institutional buildings. Trilingual packaging.

40019 Hawaiian Breeze 12/cs

Liquid Deodorants

Fresh Start Concentrated Deodorizer & Odor Counteractant

A highly concentrated liquid odor counteractant that chemically neutralizes the source of malodors and leaves a pleasant, long-lasting fragrance. Ready to use, case includes two sprayers. The powerful multi-purpose odor counteractant removes malodors caused by tobacco, smoke, urine, vomit, body waste, pets, garbage, fire, food spills and cooking odors. Ideal for use in institutions, hospitals, apartments, sanitariums, restaurants, factories, schools, break rooms, locker rooms, office areas, kitchens, restrooms, septic systems, dumpsters, recreational vehicles or anywhere malodors are a problem. May also be used as a deodorant booster for carpet cleaners and general purpose cleaners. 12 quarts per case.

Fabric Refresher

P&G Febreze® Deep Penetrating Fabric Refresher 8-00

Cleans away odors trapped in fabrics; it's not a 'cover-up' product. Proprietary cleaning system goes to the source of odors and eliminates them. Spray directly on fabrics until slightly damp. Safe for virtually all fabrics. As it dries, odors disappear. Patented binding technology locks on to odor molecules and traps them for good. A light, fresh scent is left behind to leave the treated area smelling fresh and clean.

TALAIRE Entrance Door Dispenser & Refills

One TALAIRE dispenser by the door and one TALAIRE restroom stall dispenser for each stall. Use a TALAIRE dispenser at the entrance door and place one TALAIRE dispenser in each stall at the odor source. The replacement system tells you when to replace both air fresheners. Layered fragrances provide unparalleled performance for the restroom at low-cost. The unique design uses airflow created by doors. The more the door moves, the more fragrance is released. Gradually releases more fragrance than gels or metered aerosols over 30 days. Creates a great first and last impression in any restroom. Refills and power packs are both part of the free closed loop recycling program.

87010

Claire® Dust Up Dust Mop Treatment

Oil based. Attracts dust and dirt to mops and cloths. Heavy lint on a mop or cloth can be shaken or washed out. Lemon scent. Improves dust pick up on mops and cloths. The effect of the chemicals increases the dust catching capabilities and eliminates flying dust and resettling. Prevents germ-filled dust from scattering. A routine dust mop treatment program will extend the life of the floor finish and help maintain the gloss. VOC compliant. 12 cans per case.

80 oz.

Case

83841

Hi-Con E.F. Neutral Disinfectant Cleaner

Cleans, disinfects, and deodorizes in one step. Ultra concentrated. Hospital grade disinfectant. Pleasant aroma. Neutral pH. Broad range of kill claims. Yellow color with a lemon odor. For use on hard, non-porous inanimate surfaces in hospitals, medical and dental offices and clinics, healthcare facilities, nursing homes, day care centers and nurseries, kindergartens, and preschools. Restaurants and bars, cafeterias, fast food operations. This product's non-dulling formula eliminates the time and labor normally required for rinsing. A potable water rinse is required for food contact surfaces. Do not use on glasses, dishes, utensils or interior surfaces of appliances. 2 per case.

80 oz.

Case

83842

MJ98+ E.F. Neutral Floor Cleaner

A totally synthetic floor cleaner designed for daily use in any floor maintenance program. Pleasant aroma leaves surfaces smelling clean. Highly concentrated. It's slightly acidic pH will not damage the gloss or film of any finish and is effective at neutralizing harsh cleaner residue on the floor. Contains optical brighteners to enhance the beauty of the floor when it dries. Controlled foam makes this product ideal for use in automatic scrubbers. Will dissolve all ice melt and hard water films, and will never leave the floor with a soap haze. 2 per case.

80 oz.

Case

83843

Topaz E.F. Anti-Slip Gloss Restorer

An ideal companion product for use with any high speed maintenance program. Regular use of this product keeps floors looking great day after day. Effectively cleans the floor and restores floor finish. One step cleaner/maintainer. Improves traction. Special proprietary ingredients bond to the surface of the floor to create an anti-slip surface, making it ideally suited for nursing homes, supermarkets, hospitals, schools and other public areas. Highly concentrated for economical use dilutions, it can be mopped on or used through an automatic scrubber. Once the product dries to a haze, use a high speed burnisher to "pop" the gloss to a brilliant shine. 2 per case.

80 oz.

Cleaning Chemicals

83844

OxyPlus E.F. Peroxide Disinfectant

Cleans, disinfects, and deodorizes in one step. Ultra concentrated. Delivers fast effective cleaning performance. Hospital grade disinfectant. Contains Hydrogen Peroxide. This product can be used to disinfect the following areas: bathrooms, kitchens, day care centers, nurseries, athletic facilities, office buildings. Use in dental offices, health care facilities, hospitals, medical offices. 2 per case.

80 oz.

Case

83845

Cam Pro SB2 E.F. Film Free All Purpose Cleaner/Degreaser

A combination of synthetic detergents for multi-purpose cleaning of any surface not harmed by water. Works well in hard or soft, hot or cold water. Moderate foam formula leaves a clean, film free surface. Safely and thoroughly performs all cleaning applications including removal of heavy grease and soil. Ideal product for scrub and recoats. When used as directed, this all purpose cleaner aggressively removes embedded soils and scuffs in the top layers of floor finish, and prepares the surface for re-coating with minimal rinsing required. 2 per case.

80 oz.

Case

83846

One Pass E.F. Low Odor Ultra Floor Stripper

A low odor, ultra-concentrated (1:20), high-powered stripper that rapidly penetrates and strips off floor finish. Ideal for use in areas where odors are a concern. A powerful solvent combined with amines, penetrates and removes multiple coats of floor finish with minimum labor. This high productivity floor stripper removes floor finishes completely with one pass and requires no neutralizer. This unique formula provides the lowest end-use cost per gallon due to its ultra-concentration. DO NOT USE THIS PRODUCT ON WOOD FLOORS OR PAINTED SURFACES. 2 per case.

80 oz.

Floor Maintenance Chemicals

MPC™ N-Vigorate Nano-Infused Floor Restorer

A restorer formulated with a nano-infused additive designed to extend the floor finish lifecycle. Revitalizes finishes by creating an ultimate wet look. Can be used as a one-step cleaner/maintainer. Styrene free restorer will not cause finish to yellow. Use at a higher concentration on a pre-cleaned surface for heavy restoration. Will not powder from the friction caused by high-speed burnishing. The nano-infused additive provides excellent leveling properties while filling in smaller floor finish scratches, and improving traction. Concentrated formula can be used in auto-scrubbers or in mop and bucket applications. 4 gallons per case.

80089

Gal.

Case

Misco Clean N' Shine Cleaner/Maintainer

Ideal for use on sealed wood floors for cleaning and buffing finishes to a brilliant shine. Provides excellent emulsifying and penetrating action in both hot and cold water. Concentrated: 1 gallon makes 16-32 gallons of ready to use product. UL Classified floor coating and finishing material as to slip resistance only 17SU. An all-purpose neutral cleaner/maintainer with superior cleaning power for use on any surface not effected by water. Cleans, polishes, and preserves. Ideal for use with buffing programs. Use for damp mopping, auto scrubber, heavy duty cleaning. 4 gallons per case.

Floor Maintenance Equipment

SECTION

I

Tornado® P Series Floor Machine-20"

Built for years of trouble-free operation and long-lasting performance. Our patented, non-conductive one piece rotationally molded body is designed to absorb the torque and vibration normally felt when operating a floor machine. The one piece base and motor housing ensures that wires and capacitors are completely enclosed, enhancing the machine's durability, longevity and safety. The unit is so ruggedly built, it outweighs most metal machines in the industry today. Has a triple planetary gear system and a 1.5 hp motor to handle the most demanding jobs. From daily polishing to heavy scrubbing or stripping this machine has what it takes for the cleaning and maintenance professional.

37850

20"

1.5 hp

Each

Tornado® BR Vario II Cylindrical Brush Floor Machine

Environmentally-preferred, compact, lightweight floor machine with 650 rpm of cleaning power. Cutting-edge cylindrical brush technology. Two counter rotating brushes; 2.4 gallon solution tank. Operating direction: 4-way; Power: 120V. Weight: 58 lbs.; Dimensions (w/o handle): 20" x 19" x 6.7". Tackles floor surfaces from tile and cement to paver bricks, raised rubber disc, quarry tile, and other challenging applications. Add a solution tank, collapsible handle, and contact pressure six times greater than that of a single disc machine and you have the BR Vario II, the latest in industry floor machine technology.

37857

16"

Each

Tornado® OB 20 Orbital Scrubbing Floor Machine

Moves away from the traditional disc style to a square pad with high-end features. Durable 3/4" thick epoxy coated steel frame. Power: 115V corded; HP: 1.5 HP; Brush type: orbital. Motor type: 182TCZ continuous duty TENV. Down pressure: 180 lbs.; RPM: 3530. The OB 20 allows operators to strip a floor without the use of chemicals. Keeping not only your chemical costs down, but allowing you to help meet growing environmental standards in your area.

37854

20" x 14"

Each

Burnishing Machines

Tornado® P Series Glazer™ Electric Burnisher- 20", 2000 RPM

Expertly balanced for ideal pad-to-floor pressure and sustained RPMs. You get total pad-to-floor contact, which means greater efficiency, speed and overall cost-savings. Provides excellence in design, operator comfort, and unsurpassed burnishing performance. Specially patented design combined with precision balanced weight distribution which eliminates the need for a compensating center or front mount caster. Self-adjusting pad driver. One piece rotationally molded housing designed to absorb the torque and vibration normally felt when operating high speed. 1.5 hp motor. A 20" burnishing path, flex pad holder, lock-in retainer, and one piece all metal tube and switch housing- it can handle the most demanding jobs. 20" rotary diameter; rotary disc brush design/type.

Dart® ClearSeal® Clear Hinged Lid Containers

Crystal clarity for superior product visibility as well as being flexible, yet durable, to maximize strength and reliability. Perimeter seal seals the entire container for maximum product freshness and leak-resistance. Dual bar-locks provide audible snap for secure closure, even after multiple openings. Opening tabs with slip-resistant grip allows for an easy and secure grip when opening the container. Curved sidewall reinforces container durability in handling. Chamfered corners provides extra strength at container corners. Stacking platform provides greater stability of merchandising displays. Label window provides ideal location for placement of label or tamper evident seal. 250 per case.

38275

Andersen Color Star Crunch™

Our most aggressive nylon on rubber mat. You can actually hear the ColorStarCrunch cleaning action as you walk across it. The combination of traditional, static dissipative solution-dyed nylon fibers with our extremely abrasive nylon mono-filament fibers makes crunching noise while stripping your soles of soil. Face: 27 ozs./sq Cut Pile Carpet. 100% Solution-dyed with a blend of scraping & wiping yarns. 100% SBR Rubber.

4' x 6' Quartz Crunch ea

38750

Andersen Brush Hog Scraper Mats

Designed for outdoor use. Same fiber system that is used on athletic fields. Long-wearing coarse fiber system aggressively scrapes dirt and moisture from shoes. Effectively filters soil away from traffic surfaces. High performance 100% solution-dyed nylon surface will not fade in sunlight. Durable 100% rubber backing will not crack or curl. Easy to clean, dries quickly.

4' x 6' ea

38710

Andersen Flex-Tip™ Finger Tip Outdoor Mat

Two thousand finger-like tips/sq ft. aggressively scrape soil from shoes. Excellent for outdoor use. OSHA-compliant beveled edges and deep wells hold heavy soil and debris. Solid, 5/8" thick construction. Has excellent anti-fatigue capabilities. Easily cleaned by hosing off or shaking.

36" x 72" Each

38780

M + A Matting Cobblestone™ Indoor Mats

Sturdy ribbed design scrapes and traps soil within the recessed grooves. Durable polypropylene face is effective against dust and lighter weight soil. Smooth non-skid vinyl backing. Not launderable. Easily cleaned by vacuum, hose or pressure washer.

3' x 5' Green ea

38770

Andersen Grease Hog Scraper/Wiper Kitchen Entrance Mat

Solution-dyed polypropylene fabric will not fade or rot. Grease proof nitrile rubber backing. Permanently molded bi-level pattern on the carpet surface prevents pile from crushing and provides an anti-slip surface. Low profile fabric construction ensures easy cleaning and quick drying. Low profile reinforced borders ensure mat will lay flat and will not crack and break while allowing carts to cross easily. Unique disk pattern on back of mat keeps it in place on hard floor surfaces. Perfect for use in kitchens to stop oil and grease from being tracked into the dining rooms causing stained floors and slip and fall hazards. 1/4" thick.

3' x 5' ea

Anti-Fatigue Mats

38020

Andersen Comfort Flow™ Mats

Available in various sizes. Superior anti-fatigue properties ensure employee comfort and ergonomic benefits. Lightweight, easy-to-clean material outperforms most thicker, heavier mats.

4' x 6' ea

38024

Andersen Cushion Station Anti-Fatigue Mat with Holes

Anti-fatigue mat that offers bare-foot comfort! The physical design of the product in combination with its nitrile rubber foam structure results in an extremely comfortable mat to stand on or walk across. Anti-microbial treated for lifetime protection against odors and degradation. Highly durable and dense closed cell nitrile rubber foam combined with uniquely designed construction affords excellent anti-fatigue properties. Grease and oil proof. Designed for use in wet or dry areas. Safe to use at welding stations. Can be autoclave sterilized. Green 10% recycled rubber content. Overall Thickness: 9/16".

4' x 6' Each

38040

SCA Tork® Elevation™ Intuition® Autosensor Towel Dispenser

Introducing a new way to simplify the restroom experience. The most advanced electronic system in the industry today. The touch-free electronic dispenser virtually eliminates cross contamination while cutting back on supply waste. Each unit features a choice of two dispensing modes. The towel remains inside the cabinet until the user activates the sensor, delivers maximum hygiene. An adjustable towel length of 8 inches to 24 inches, an adjustable time delay of less than one second to over four seconds, and a stub roll compartment combine to deliver more precise control of consumption. Batteries lasts up to 40 rolls on average with normal usage. It's easy to reach and simple to reload. Can be mounted directly to wall or within a recessed compartment. Numerous back-plate mounting slots fit most any pattern. Utilizes any Tork H1 Roll Towel. Uses 3 "D size" batteries. 14.6" x 13.2" x 8.1".

Leightning® Hi-Visibility Noise Blocking Earmuff

Bright green earcups provide high visibility and contrast. Reflective padded headband illuminates under light for increased visibility and safety. Telescopic height adjustment remains fixed during use. Bright green. Individually boxed. When the jobsite is outdoors or in low lighting, workers are exposed to increased safety hazards in addition to noise. Leightning Hi-Visibility Earmuffs provide workers with a total solution for both hearing protection and visibility at night and during the day. Eye catching bright green earcups provide a highly noticeable contrast against dark settings, especially in low lighting situations and inclement weather. Plus, Leightning Hi Visibility are the only earmuffs that incorporate an exclusive reflective headband that illuminates when exposed to light, providing increased visibility and safety on the job.
